Description:

The second book in Scholastics exciting CARRY AND LEARN series that teaches toddlers early learning concepts using multi-sensory novelties for maximum activity, play, and discovery! Learn all about the world of numbers with Scholastics CARRY AND LEARN board book program!- Every CARRY AND LEARN book has touch-and-feels, tabs, and lift-the-flaps.- Toddlers will touch, feel, lift, learn, slide, and grow with every

book!- Die-cut tabs on each page invite readers to turn the page on their own.- CARRY AND LEARN books focus on concept reinforcement, introducing new concepts and then showing them within a context and environment to stimulate learning.- Every spread reinforces learning with concept repetition and interactive activity on each spread.- A carry along on the go handle gives young readers a sense of ownership and independence.

Love it! Very well laid out! My 2 year old is learning her numbers now. I love the numbers on the side so I can use the tabs to help my girls figure out what the number is on the page. Just very well done and I am super picky on learning books that they are laid out just right, not too busy and laid out in a clear and common sense way. This was perfect. I got one for my friend for her girl as well!
